

**We believe** the only true basis of Christian fellowship is Christ's (agape) love, which is greater than differences we possess, and without which we have no right to claim ourselves Christians.

**We believe** worship of God should be spiritual; therefore, we remain flexible and yielded to the leading of the Holy Spirit to direct our worship.

**We believe** worship of God should be inspirational; therefore, we give great place to music in our worship.

**We believe** worship of God should be intelligent; therefore, our services are designed with great emphasis upon the teaching of the Word of God that He might instruct us on how He should be worshiped. We seek to teach the Word of God in such a way that its message can be applied to the individual's life, leading that person to a greater maturity in Christ. We teach both expositively and topically.

**We believe** worship of God should be fruitful; therefore, we look for His love in our lives as the supreme manifestation that we have been truly worshipping Him.

"Let love be without hypocrisy. Abhor what is evil. Cling to what is good. Be kindly affectionate to one another with brotherly love, in honor giving preference to one another; not lagging in diligence, fervent in spirit, serving the Lord; rejoicing in hope, patient in tribulation, continuing steadfastly in prayer; distributing to the needs of the saints, given to hospitality."
